JOHN A. GIBNEY PARK

The under drain pipes and inlets have been delivered, these materials have been on back order since 2020. In the summer of 2023, this under drain will be installed under the mulch area, to better drain any water that pools in the mulch area. After the under drain and inlets are installed, the old mulch will be removed, and new mulch will be installed in that area. Some minor repairs will be made in the immediate future, such as cleaning of the play areas.
