Must pre-pay by close of business on Monday, June 21, 2021

COMPOST SITE OPEN:

Saturday, June 12 from 8:00 am to 2:00 pm. The Central Chester County Recycling Authority Compost Site is located at 2240 Upper Gap Road, Coatesville. Identification required. Items accepted are leaves, vegetables, garden clippings, weeds, brush and limbs.

STORMWATER TIP:

Rain Barrels capture and store rain making it available for watering gardens, washing cars and other activities that you would use your hose for. The collected rainwater is used in place of your utility or well water, therefore reducing costs. The stored rainwater will not contribute to stormwater runoff, which causes flooding and carries pollutant to our streams.

REMINDER FOR TRASH & RECYCLING COLLECTION:

Please remember to have your containers at the curb on your designated trash and recycle day by **5:00 a.m.** During the hot summer months, our crew may start at 5:00 a.m. instead of 6:00 a.m.

METER READING REMINDER:

Water meters will be read the third week of June. Meters are read through a remote device attached to the outside of your home. This remote device must be clear of all obstructions and must provide a direct line-of-sight for drive-by and walk-by meter readings. Please clear any vegetation or obstructions away from the remote.

YARD WASTE COLLECTION:

Valley Township provides curb-side collection of yard waste during the months of June through October. If bagged, items must be in biodegradable bags.
