

**Valley Township**  
**Environmental Sustainability Advisory Council**  
**Meeting Agenda**

August 17, 2023  
6:30 pm

- I. Call to order
- II. Updates:, Millview basin/E.Glencrest projects, Bradley Ave Bridge, South Park Ave bridge replacement, Valley Crossing
- III. Old business  
County Climate Action Plan- discussion/review of executive summary and Actions for Local municipalities.

Valley Day - We will have our **Annual Valley Day on Saturday, Sept.23, 2023** time is 12-4. We close up at 3:00 along with the health fair etc. location is field in front of the Moose on Airport Rd. Who is available to man our table? Or set up or pack up etc. We need to make a schedule.

Ideas for our Environmental Advisory Table and display. (storm water management education is a DEP requirement under our MS4, municipal stormwater management plan.) materials and interactive display for the children. (environscape)

Consideration to change the giveaway to wildflower seed packets rather than tree Seedlings

able to have drawing for 2 pollinator starter sets and possibly some Asters. Any other recommendations?

- IV. New Business
  - A. Meadow on township property. Opportunity knocks, money and a contractor available through the CCCD. Need to find location or recommended location
  - B. Containers – large planters for the public entrance area and plants for them.
- V. Adjournment
