

Valley Township

Environmental Advisory Council Meeting Agenda

March 16, 2023

6:30 pm

I spent a little time working on the Go To Meeting Setup in the Training Room. I am now able to access the screen sharing and allow others to present from their computers.

Looking forward to seeing everyone. Here is the "GO To MEETING LINK" if you wish to participate virtually.

Thursday, March 16, 2023 6:30 pm

Please join my meeting from your computer, tablet or smartphone.

<https://global.gotomeeting.com/join/679376037>

You can also dial in using your phone.

United States: [+1 \(571\) 317-3122](tel:+15713173122)

Access Code: 679-376-037

Join from a video-conferencing room or system.

Dial in or type: 67.217.95.2 or inroomlink.goto.com

Meeting ID: 679 376 037

Or dial directly: [679376037@67.217.95.2](tel:679376037@67.217.95.2) or 67.217.95.2##679376037

New to GoToMeeting? Get the app now and be ready when your first meeting starts: <https://global.gotomeeting.com/install/679376037>

I. Call to order

II. Old business

A) Creeks/Storm Water/MS4

1. Annual Brandywine Creek Clean UP Saturday, April 22, 2023, 8-12 am.
Sign-ups are by groups: to Sign up email Syates@valleytownship.org
2. The Brandywine/Red Clay Creek Alliance has put out a call for additional volunteers for the Sat. March 28, 2023 Red Clay Creek Cleanup. Red Clay Valley Clean Up

March 25 @ 8:00 am - 12:00 pm

B. Project Updates

1. Valley Crossing Stormwater Basin retrofit: The 2 Easement documents are being prepared for signing by all parties. The project will go out to bid as soon as the easements are executed. Construction over the summer and planting/seeding in fall. (CBDG)
2. Bradley Ave Bridge: will be going out to bid and the precast concrete bridge structure will be fabricated and shipped to the site. Same precast as the 2020 Hemlock Bridge Replacement (across from Westwood Fire Company) CBDG
3. South Park Ave Bridge over Sucker Run Tributary: Currently posted as 3 ton maximum. EMC, Joe Sciandra is working with FEMA/PEMA on funds for Replacement of the Bridge.
4. Glencrest/Rd Millview Basin with Coatesville. The County is coordinating planning meetings with Valley & Coatesville and their engineers. Valley project is ready to bid. Coatesville/Millview needs to obtain signatures from Chetty builders and the Millview HOA.
5. Wagontown Rd: Pennoni Engineering is working on a fee agreement with PennDot for design of project.
6. Hillview Basin Outflow EMC & Pennoni and FEMA/PEMA for the specifications for the supplies (stone)
7. Second Ave/Lincoln Highway Storm water Grant: No news yet. Expecting in next few weeks.

a) Community Education/Outreach

- 1) Valley Day- what would we like to have at our table? Invite PECO. Any other community environmental organizations we would like to invite?

III. New Business

- a) Consideration: Grant Application for PA American Water to purchase native plants and seedlings for Valley Day & possibly cover table fees for environmental groups to have a mini environmental event within Valley Day.
- b) Summary of updates on the Chester County Climate Plan- Chester County Planning Commission.

IV. Adjournment
